

LIVE WITH COURAGE, CONFIDENCE, CLARITY

Would you like to:

- Achieve goals that excite you?
- Create a plan that keeps you on track to achieving your goals?
- Finally push past the fears, doubts and old beliefs that are holding you back?
- Gain clarity and confidence about what is important to you?
- Spend a day with courageous women who want to make things happen?

If you answered yes to any of these questions.....

It would be a gift for you to join me for a day that is designed just for you. You will plan courageously, move forward with confidence and gain clarity about what you want and set your intentions for the year ahead (and your life)

I invite you to show up with an open mind.

By doing so you will leave with more clarity, confidence and a clear plan of action for your year ahead.

Clarity day includes:

A practical workshop where you will listen, write, discuss and get creative. You will engage in thinking deeply about what's important to you, how you are going to go about getting it and plan for any obstacles that will show up along the way.

You will create your own self care ritual that you will take home and use daily to bring greater joy, vitality and happiness into your life.

Workbook for you to take home and use as your guiding compass for tracking your progress
